## SPOOKY READS FOR THE SEASON!

## New at the Library

**Cackle by Rachel Harrison**-All her life, Annie has played it nice and safe. After being unceremoniously dumped by her longtime boyfriend, she seeks a fresh start. She accepts a teaching position that moves her to a small village upstate. Then Annie meets Sophie. Beautiful, charming, magnetic Sophie, who takes a special interest in Annie, who wants to be her friend. More importantly, she wants Annie to stop apologizing and start living for herself. Annie can't help wanting to spend more and more time with Sophie, despite the fact that the rest of the townsfolk seem...a little afraid of her.

**Three Sisters by Heather Morris**-When they are girls, Cibi, Magda and Livia make a promise to their father-that they will stay together, no matter what. In the horror of the death camp, these three beautiful sisters are reunited. Though traumatized by their experiences, they are together. They make another promise: that they will live.

**ER Nurses by James Patterson and Matthew Eversmann**-Around the clock, across the country, these highly skilled and compassionate men and women sacrifice and struggle for us and our families. You have never heard their true stories. Not like this. From big-city and small-town hospitals. From behind the scenes. From the heart.
